**Archaeological Repository Curation Fee Schedule**

The fees listed below have been approved by the City of Phoenix Parks and Recreation Board and are applied to all projects with repository agreements issued on or after March 1, 2018.

| <b>Task</b>  | <b>City Sponsored Projects</b> | <b>Projects Inside City Limits</b> | <b>Projects Outside City Limits</b> |
|--|--------------------------------|------------------------------------|-------------------------------------|
| Initial Registration (Minimum Fee)*                                      | \$ 500                         | \$ 1,500                           | \$ 3,000                            |
| Artifact Box Fee (per 20x8x8 box)<br>1 box minimum; Max weight/box 40lbs | \$ 500                         | \$ 500                             | \$ 750                              |
| Documentation Fee (per linear inch)<br>1st inch free                     | \$ 40                          | \$ 40                              | \$ 60                               |
| Digital Fee (per gigabyte)<br>1st gigabyte free                          | \$ 100                         | \$ 100                             | \$ 100                              |
| *Same fee for all types of projects                                      |                                |                                    |                                     |

The fees quoted above assume that the submitted collections are prepared in accordance with the [Archaeological Repository Guidelines](#).

Additional fees will be charged if Museum staff must process the collection to current standards. Additional fees will be assessed for artifact boxes exceeding 40lbs as well as oversized objects.

Please send an email to [svmcollections@phoenix.gov](mailto:svmcollections@phoenix.gov) for questions about curation fees.
