# KNOW BEFORE YOU GO

PHOENIX.GOV / SUPERBOWL

### SEE SOMETHING, SAY SOMETHING

Public safety is our number one concern. You can play a big part by being additional eyes and ears in your community.

If you witness something or believe something has happened is concerning, please contact the Phoenix Police Department non-emergency number at (602) 262-6151 or call the Arizona Counter Terrorism Information Center (ACTIC) at 1-877-2SAVEAZ (1-877-272-8329). For emergencies, please call 911.

### TRAVEL TIP TO SAVE YOU TIME

If you are picking up or dropping off travelers, use our PHX Sky Train® stations on either side of the airport. It's a timesaver! You'll avoid roadway traffic and terminal curb congestion too. Learn more about our stations and cell phone lots at [SkyHarbor.com](http://SkyHarbor.com).

### HAVE A GAME PLAN

Tackle traffic and punt on parking by hopping on Valley Metro. The light rail will have extended hours Feb. 9-12 providing service for all late-night events and the game! Don't forget to add the Valley Metro app to your game plan to track your vehicles in real-time and get alerts. Download now at [ValleyMetro.org/App](http://ValleyMetro.org/App).

### HUMAN TRAFFICKING AWARENESS

Human Trafficking is the second leading crime in the history of the United States and the fastest growing criminal industry in the world. Arizona is one of the top states for this crime. Large events like the Super Bowl increase the opportunity for our children to become victimized. The average age of entry into trafficking is 13.

We need volunteers to label bars of soaps and makeup remover wipes for the hotels/motels in and around the Phoenix area. During this process you will receive training on how to recognize the signs of human trafficking. Afterward, for those who wish, we will deliver (utilizing teams of 3-4 people) the soaps, wipes, educational materials and missing teen posters to approximately 250 hotels. To register, scan the QR code.

### BECOME A VOLUNTEER AND HELP DECREASE WASTE

Become a Zero Waste Ambassador and help the City reach its Super Bowl 92% waste diversion rate! Volunteers will educate attendees about what is recyclable and compostable, ensure attendees place items in the correct container, monitor containers and report fill levels to Public Works staff, report littering or other issues to Public Works staff, and more. For more information, please email [volunteer@phoenix.gov](mailto:volunteer@phoenix.gov). Register: [Volunteer.Phoenix.gov](http://Volunteer.Phoenix.gov).

### DON'T DRIVE DOWN THE WRONG END ZONE

Due to a variety of special events, road closures and restrictions will be in effect in the downtown region. As you prepare to head out to enjoy the festivities, check the latest know-before-you-go traffic, parking, ride share and public transit updates. Learn more: [Phoenix.gov/SuperBowl](http://Phoenix.gov/SuperBowl)

### PHOENIX FIRE IS READY FOR GAME DAY

Phoenix Fire is ready for Super Bowl LVII and its Host Committee events! A staffing model has been created to safeguard staffing both fire stations and the events within Phoenix. It includes off-duty firefighters working overtime, on-duty resources used in a limited time capacity, and Valley public safety partners with similar resources. Phoenix Fire has created a contingency plan to ensure full staffing for all Super Bowl Host Committee related events.

### IN THE DESERT, EVERY DROP COUNTS

With Arizona hosting the Super Bowl, it's a good time to remind both residents and visitors that while the City of Phoenix has a robust and diverse water supply and is well-positioned to manage the Colorado River water shortage, we still need everyone to do their part by embracing the City's culture of conservation.
