TAKE THE STORMWATER  
ANNUAL  
SURVEY  
PHOENIX.GOV/STORMWATER

Phoenix residents are encouraged to take the Stormwater Awareness Survey to measure their knowledge about the subject and help determine the educational focus for 2023.

Stormwater in Phoenix is NOT treated like the wastewater system and collects pollutants as it flows through gutters, parking lots, driveways, and other paved surfaces. The polluted stormwater flows into storm drains, rivers, washes, and retention basins.

The Stormwater Awareness survey is available to take online through March 31 at [Phoenix.gov/StormWater](https://Phoenix.gov/StormWater) or by scanning the QR Code below.

## Join A Phoenix Budget Hearing

The City of Phoenix is asking for your input on the 2023-24 City Manager's Trial Budget, which will be presented to Phoenix City Council in March. In April, you can provide input on next year's budget by attending in-person hearings in communities across the City. For meeting dates and locations, visit [Phoenix.gov/Budget](https://Phoenix.gov/Budget). Residents can comment online using FundPHX, an interactive tool that allows you to provide feedback on what you would like to see in the budget at [Phoenix.gov/FundPHX](https://Phoenix.gov/FundPHX). You can also share your thoughts by calling 602-262-4800 or emailing [budget.research@phoenix.gov](mailto:budget.research@phoenix.gov).
