City Hall Selfie Day

Thank you for participating in the 10th annual City Hall Selfie Day! Phoenix joined Engaging Local Government Leaders in a worldwide celebration of local government. We loved seeing all of our favorite mascots and are proud to Do Work That Makes Phoenix Work!

City of Phoenix is “EV Friendly”

Congratulations to everyone – the City of Phoenix was recently recognized as an “EV Friendly Workplace” by *Empower Project*. They highlight Phoenix for advancing workplace EV charging by offering 140+ parking spaces equipped with Level 2 chargers at key facilities, discounted parking rates, and plans to expand infrastructure.

Charging is available at City Hall, Aviation HQ, Transit Department, police precincts, and public libraries. These initiatives align with Phoenix's Climate Action Plan, promoting sustainable commutes and engaging employees in a cleaner future.

Phoenix's Food Action Plan needs your input!

Phoenix's food action plan is a roadmap outlining how our City, community partners, and residents can support the local food system. The plan will help guide decisions and investments to ensure everyone in Phoenix has access to healthy, affordable, and culturally appropriate food.

This short survey takes about 5 minutes. Your feedback will shape future programs and direct how we invest in our local food system. Whether you grow your own food, run a restaurant, or just care about healthy food for everyone ... your help is appreciated.

Take the survey in:

- English [Community Food Survey](#)
- Spanish: [Community Food Survey](#)

This plan addresses everything from food access and affordability to local food production, distribution and waste reduction.

Make A Difference with PHX ACT

Have you tried PHX ACT? This digital tool is for employees to easily report common public service maintenance needs like litter, graffiti, or street maintenance. It works on both desktop and mobile devices, so you can add it to your phone's home screen to have it handy if you spot an issue.

Visit the [resources site](#) to find everything you need to get started. The site includes a link to [PHX ACT](#), user's guide, mobile download instructions, frequently asked questions, and technical support contact information.
