MentorPHX Applications Open Next Week

MentorPHX empowers professional growth by connecting staff with the knowledge, skills, and real-world insights of high-performing colleagues. Whether you are ready to guide, or eager to grow, applications for both mentors and mentees open Sept. 1!

Click on the video to hear from past program participants, and watch for applications at our [MentorPHX Sharepoint site](#) starting next week.

City of Phoenix Flu Shot Clinics

With flu season approaching, the City of Phoenix is making it easier for you to stay healthy! There are several flu shot clinics scheduled at the workplace during September and into early October. **Did you know: The flu vaccine is available to all City employees at no cost.**

You can receive your vaccine at City-sponsored events/facilities, the Employee Health Care Clinic, or your health care provider. If you visit one of the scheduled Flu Clinics, you will be entered for a chance to win various prizes.

Suicide Prevention Awareness Month

The City of Phoenix recognizes the month of September as “Suicide Prevention Awareness Month.” Statistics show that in a one-year period, **the United States has approximately one death by suicide every 11 minutes.**

The City launched its “Mental Health Matters” initiative earlier this year. The goal is to collaborate with partners to raise awareness, reduce the stigma and prevent suicides in our community.

New PHXYou Course Available

Do you ever question your accomplishments or fear being exposed as a fraud, even when you're thriving professionally? You're not alone. This 90-minute interactive session is designed for professionals who want to understand and break free from the grip of Imposter Syndrome.

In this new class, **HRS169-ILT-Imposter Syndrome**, we'll explore what **Imposter Syndrome** is, why high-performing individuals often experience it, and the hidden ways it can limit your growth and success. Learn more and register for the first class on September 24 in PHXYou or by [clicking here](#).

New Healthy Snack Options

Healthy snack options are being added to vending machines throughout the City of Phoenix. The HR Wellness Team & AZ Working Girl Café are adding items like ***Kind***, ***Power Crunch***, and ***That's It*** bars along with ***Veggie Straws***. This change supports overall wellness and promotes healthy eating habits among employees.

These items are already available in the vending machines located in the basement of the Municipal Courts building, the 1st and 10th floors of Phoenix City Hall, and the 10th floor of the Calvin Goode building.

Be an ally.

Support a cause.

Featured Job of the Week

The Utility Specialty Technician works under general supervision in an independent role performing time sensitive, specialized work within the water distribution or wastewater collection system. This position uses mobile devices with an asset management system to receive work orders and document work performed. Duties include working in all the following specialty operations: valve assessments and isolations, flow tests, auto flushers, hydrant repair, large transmission main/valve operation, large wet taps, leak detection, water compliance, and backhoe operations.

In Blue Stake Operations, this position works independently to locate/mark sewer, water, and reclaimed water lines for contractors or other utilities in accordance with Arizona Blue stake laws; ensures information on job orders is accurate by comparing between the City's QS mapping system and the GIS system to ensure accurate location; and uses a laptop computer to update job order status and write reports on incorrect or missing assets.
