THURSDAY: Bring Your Child to Work Day

Get ready for a day of fun and innovation as we introduce a younger generation to the hard work you put in every single day to better our community. In addition to events happening downtown, several departments are hosting their own on-site activities - so be sure to check them out. Employees can participate with supervisor approval.

Let's make it a memorable experience for our employees and future Phoenix leaders. [Download an activity sheet with a list of some of the activities happening in and around City Hall.](#)

NOTE: Since the building is still open for business, all normal security measures will be in place. Employees will still be able to bypass with their children; however, this does not include adult-age children and non-City spouses, who will still need to go through public screening.

STEP CHALLENGE CORNER

602 Day may be over, but the step challenge is still going! Here are five tips to help you keep moving and have fun doing it!

1. Make Steps Part of Your Routine

Sneak in extra steps during the day by:

- Walking while on phone calls
- Parking farther away
- Taking the stairs when you can

Every little bit counts—your steps add up!

2. Early Bird Gets the Cool Walk

With summer temps rising, early morning or late evening walks are perfect for staying active and avoiding the heat.

3. Move to the Beat

Create a walking playlist with your favorite energizing songs. The rhythm can help you keep a steady pace and make walking more enjoyable.

4. Grab a Walking Buddy

Whether it's a coworker, family member, or your furry friend, walking with someone makes the time fly and boosts accountability.

5. Explore a New Path

Try a different walking route—around your neighborhood, a local park, or even inside a cool building if it's too hot outside. A change of scenery can keep things interesting!
