A vibrant poster for the 'FitPHX Summer 2023' program. The background is a gradient of blue and purple with large, overlapping red and orange circles. At the top left is the 'PHX PLAYS' logo with 'Phoenix Parks & Recreation' above it. In the top center is the 'FIT PHX' logo. At the top right is the 'AARP Phoenix' logo with a battery icon and the text 'Energized by Exercise' below it. The main title 'FREE VIRTUAL FALL INTO FITNESS' is written in large, bold, white letters. Below the title, the text 'Summer 2023' is written in a white cursive font. To the left of the title is an illustration of three people exercising: a woman in a blue top and black shorts, a woman in a green top and black shorts, and a man in a red tank top and black shorts. Below the illustration, the text 'FAMILY-FRIENDLY FITNESS FOR ALL AGES, LEVELS AND ABILITIES.' is written in white. At the bottom, the dates 'JUNE 6-JULY 18' and '(No class July 4)' are on the left, and 'TUESDAYS 6:00PM-7:00PM' is on the right, separated by a vertical line. Below this, the text 'PREREGISTRATION REQUIRED. FOR MORE INFORMATION & TO REGISTER VISIT:' is followed by the website 'PHOENIX.GOV/FITPHX' in large white letters. At the very bottom, the text 'QUESTIONS? PLEASE CONTACT 602-262-6864 OR FITPHX@PHOENIX.GOV' is written in white.

Phoenix Awarded Grant Funds to Promote Affordable Connectivity Program

The City of Phoenix Community and Economic Development Department is launching a program to educate residents about the Affordable Connectivity Program, a federal program that helps ensure households can afford internet access. Along with education, city staff will also assist eligible residents in completing their applications. The benefit provides a discount of up to \$30 per month toward internet service for eligible households. Eligible households can also receive a one-time discount of up to \$100 to purchase a laptop, desktop computer, or tablet from participating providers if they contribute more than \$10 and less than \$50 toward the purchase price.

**CHAINING
YOUR DOG
ISN'T SAFE**

Break the chain

azhumane.org/breakthechain

Arizona Humane Society Launched a New Anti-Tethering Campaign

Chaining your dog outside is dangerous, and the Valley's scorching summer temperatures can even make it deadly. Tethered dogs can become tangled, trapping them without water or shelter. As temperatures rise, we are working with the Arizona Humane Society to raise awareness as our City law prohibits tethering a dog if the temperature is above 100 degrees. Break the chain. Please don't tether. Learn more at azhumane.org/breakthechain.

Take a Hike. Do it Right

Phoenix is home to more than 41,000 acres of desert parks and mountain preserves, and 200-plus miles of trails. Millions of people enjoy city trails every year, but sadly, more than 200 hikers annually are rescued from City of Phoenix

desert and mountain parks and preserves. This simple checklist can help you from becoming a statistic, [HERE](#).

Help us achieve Drowning Zero!

Drowning Zero is our vision to reduce the number of both adult and pediatric drownings in our city to zero. We can achieve this through community education,

rapid emergency response, and preventative action. Please follow these tips and help us achieve #DrowningZero!

Use an approved barrier to separate the pool from the house.

NEVER allow children to be alone near a pool or any water source. This includes bathtubs, buckets, toilets, ponds and canals.

Have life-saving devices near the pool, such as a hook, pole, or flotation device.

Keep large objects such as tables, chairs, tricycles or ladders away from pool fences.

NEVER leave children unattended in or around a pool. ALWAYS have a designated child watcher.

Do not allow children to play in the pool area. Store all toys outside the pool area. If you leave the pool area, take the child (children) with you.

Fire Department's New Fire Data Link Map

This new online data map shows all the emergency incidents dispatched in the Phoenix Fire Department service area, which is the City of Phoenix, Town of Paradise Valley and Laveen.

The map has a 30-day rolling window and has filters for Neighborhood and Council District. Incident locations are displayed based on their Category and all incidents are geo-coded down to the street level, so that there should not be any incidents shown on someone's home. [Launch the Map](#).

Proposed Rate Increase for Phoenix Water Services and Stormwater Excise Tax

The Phoenix Water Services Department is proposing a rate increase to address rising costs for water and wastewater services. While the increase is necessary to meet inflationary pressures affecting utilities across the nation, Phoenix will still have some of the most affordable water services compared to other large cities, and customers who conserve water will be able to lessen the impact of the higher

rates. There is also a request to increase the Stormwater Excise Tax to fund the City's compliance with new requirements for preventing pollution from entering waterways.

We value everyone's input, and would ask that individuals sign up for the last couple of [upcoming meetings](#).

To learn more about these proposed rate increases, please visit [Water Services website](#).

News From Glendale Union High School District

Sunnyslope High School Student Receives Outstanding Phoenix Youth Leader Award

Excellence continues at Sunnyslope High School as student Lucas Hernandez was chosen out of hundreds of students in the Metro-Phoenix area to receive a 2023 Outstanding Phoenix Youth Leader award from the City of Phoenix. The Outstanding Phoenix Youth Leader of the Year program recognizes and honors the outstanding achievements of young people, enhances the perception of youth, and raises community awareness of the positive contributions of youth.

Sunnyslope High School Celebrate Near Finished Building with a Topping Out Ceremony

Excellence continues within the greater GUHSD community. Thanks to the passage of the 2020 bond initiative, Sunnyslope High School is near completion of the phase II classroom plan. With the help of Orcutt Winslow and McCarthy, phase II will bring over 75,000 sq feet of classroom space to the campus.

Today, SHS and those who have been involved in the project celebrated a milestone, where they placed the final steel beam on the structure. This “Topping Out” ceremony is an age-old tradition in which the last beam is signed and placed on a project signifying the completion of the building structure.

Thank you to everyone, especially the GUHSD community.
