

District 4 Neighborhood Improvement Grant Application

The Office of Councilwoman Laura Pastor has \$25,000 in participatory budget funds available to District 4 community members and organizations. Funds can be used for a variety of improvements, projects, or special events.

In previous years, these funds have been used for many creative and impactful ideas—like purchasing speed humps to calm traffic, renting bounce houses for neighborhood block parties and park activation events, or covering equipment costs for neighborhood movie nights. We can't wait to see what you come up with this year.

If you have an idea that would benefit your neighborhood, we encourage you to apply.

We want to ensure the community supports your event! Before beginning your application, please:

- Connect with your neighbors.
- Brainstorm community improvement ideas.
- Verify your status as a City of Phoenix vendor. You must be a registered vendor to receive funding. You can check your status at: phoenix.gov/finance/vendorsreg. *Need help?* Email vendor.support@phoenix.gov or call (602) 262-1819.

Please email applications to council.district.4@phoenix.gov. Let's work together to improve the heart of Phoenix and make it even more vibrant and welcoming for everyone.
