

IMPORTANT INFORMATION ABOUT APPLYING FOR BENEFITS THROUGH THE CITY OF PHOENIX FAMILY SERVICES CENTERS

THE FOLLOWING ASSISTANCE IS AVAILABLE

- Language interpreter or translation services
- Help filling out this form
- Reasonable accommodations or modifications, including alternative formats, and auxiliary aids and supports available for persons with a disability.

WHAT THIS APPLICATION IS FOR?

The City of Phoenix has many programs to help Phoenix residents. Each program has different requirements to determine eligibility for a benefit. This form allows you to apply for multiple programs and benefits at the same time. These programs include:

- Utility assistance
- Short-term crisis assistance
- Rental and housing assistance
- Transportation assistance
- Other types of need-based support.

Please fill out the application as much as you can. You do not have to fill out any sections that do not apply to you or members of your household. If you do not know if a section applies to you or your household members, please ask your caseworker. Also, you may ask your caseworker any other questions you may have about this application, or any assistance program offered through the City of Phoenix.

WHO MAY FILL OUT THIS APPLICATION?

Anyone may fill out this application if they think someone in their household may be eligible for benefits. You do not need to be eligible yourself to fill out this application. You may fill out this application on behalf of a household member who may be eligible for benefits. For example, a parent may fill out this application for their child who may be eligible for benefits, regardless of whether the parent is eligible.

WHEN ARE SOCIAL SECURITY NUMBERS REQUIRED?

You are not required to provide a Social Security number unless required for the specific benefit you or your household member is applying for. Your caseworker can inform you which benefits require a social security number. You are not required to provide a Social Security Number for any member of your household who is not applying for benefits. Voluntarily providing a Social Security number for yourself or household members may expedite processing of your application. You do not need to be eligible for a benefit to apply for that benefit for others in your household.

For certain benefits, the City of Phoenix may need to verify income, address, and other information for all household members, including those who are not applying for benefits for themselves. Even though it's not required, you may choose to provide a Social Security number for household members who are not applying for benefits for themselves. If you do provide a Social Security number, the City will only use the Social Security number to help verify income, to prevent duplication of services, or as proof of identity.

WHEN IS CITIZENSHIP OR IMMIGRATION STATUS REQUIRED?

You are not required to provide citizenship or immigration status for any household member who is not applying for benefits. You do not need to be eligible for a benefit to apply for that benefit for other members of your household.

The information in this application will only be used to determine if you or your household members are eligible for benefits. The information will not be used for immigration purposes and will not be reported to immigration authorities or the federal government unless required under A.R.S. § 1-501 or -502, as limited by applicable federal law.

Briefly explain what caused you to seek financial assistance:

City of Phoenix caseworkers are available to work with you and your family to address additional needs through case management. Case management involves working together to support you through any challenges you may be experiencing. The City will work in partnership to create an action plan with goals that you wish to achieve and will help you find resources to reach those goals.

The City will evaluate your household for assistance even if household members do not want case management services.

Are you interested in case management? **Yes** **No**
