Screened Presenter Program Guidelines

**For Presentations, Informational Sessions,
Demonstrations, Displays, Clinics and/or
Screenings or Placement of
Marketing/Outreach Materials On-site at
Senior Centers by Outside Organizations**

Purpose

The Community and Senior Services Division continues to demonstrate its commitment to serve as a community focal point by ensuring the senior centers make available a broad spectrum of services, information and activities. As a community focal point, the information provided through the senior center includes health-related, social, nutritional, and other general-educational topics.

Information and assistance about the availability of services in the community are important, such as information and/or awareness of medical and consumer-related matters that affect or impact the lives of elderly and/or disabled older adults.

Presentations offered by various businesses, government and educational entities within the community allow center members to receive the latest educational and consumer-oriented information regarding service availability.

Procedures

Advance Permission is needed

Individuals, companies, organizations and/or agencies (outside the City of Phoenix government) must obtain advance permission to conduct presentations or distribute marketing materials at senior centers operated by the City of Phoenix, Human Services Department, Community and Senior Services Division.

How to obtain an application and permission:

Parties requesting to conduct presentations or distribute marketing materials must contact the Screened Presenter Program coordinator to obtain a Presentation Application form IN ADVANCE of their appearance at the senior center(s).

Screening Process:

Upon receipt of the completed application, the application will be reviewed to determine suitability of presentations within senior center program standards. Applications and presentation contents will also be reviewed for potential of harm to clients or liability to the City.

Application fees:

A **\$250 non-refundable application fee** is due upon application approval. (Nonprofits, government agencies or educational institutions may request a fee waiver at the time of application for non-commercial presentations/materials.)

- Solicit personal information from members
- Sell products or services on-site
