17 CITY-OWNED LOTS RFP (NSD-RFP-26-003)

I. RFP PROCESS

A. Housing Phoenix Plan

The City is seeking to address a critical need for affordable housing in Phoenix. The [Housing Phoenix Plan \(HPP\)](#) was adopted by the Phoenix Mayor and City Council in June of 2020, and it identifies the housing gaps and needs in our community. The HPP set the goal of creating or preserving 50,000 homes by 2030 and recommended nine policy initiatives to explore. Initiative 3 focuses on the redevelopment of City-owned land with mixed-income housing, and accordingly, Mayor and City Council approved a list of City-owned parcels for future affordable housing.

B. Invitation

The City of Phoenix (City), through its Neighborhood Services Department (NSD), invites electronic proposals for the purchase and development of **three property packages**, totaling 17 residential, multifamily and/or commercial City-owned vacant lots located in the Target Area B Redevelopment Area in South Mountain Village, specifically along 16th Street at Broadway Road (**Lots**). Lot information, separated by package and Site Maps are included in this RFP as **Attachment D** and **Attachment H**, respectively.

This RFP seeks market-viable development proposals that: 1) make the best use of the Lots; 2) are consistent with the Housing Phoenix Plan, General Plan, zoning codes and all other applicable codes, regulations, and guidelines; 3) are compatible with the neighborhood in scale, design, materials, and appearance; and 4) increase affordable residential housing.

By inviting the disposition of the Lots, the City seeks to continue to revitalize and strengthen the community within in the Target Area B Redevelopment Area in South Mountain Village by eliminating blight, developing vacant land, reactivating property and creating quality, affordable housing for low- and moderate-income households. Residential development is being re-initiated through the RFP process to facilitate the sale and compatible infill development of land.

C. Proposer Questions and Notification

Proposers are advised to read this RFP in its entirety. Failure to read and/or understand any portion of this RFP will not be cause for waiver of any portion of the RFP or any resulting contract.

All questions about this RFP must be submitted in writing no later than the deadline listed on page 1 to chris.christensen@phoenix.gov. Please list the name of this RFP in the subject line when submitting questions. All written questions received by the deadline will be responded to in a written addendum and posted on

CITY OF PHOENIX
Neighborhood Services Department
17 CITY-OWNED LOTS RFP (NSD-RFP-26-003)

<https://www.phoenix.gov/administration/departments/nsd/solicitations.html>.

D. Proposal Requirements

Proposals that do not meet the following proposal requirements will be deemed non-responsive and disqualified:

1. The proposer must be authorized to transact business in Arizona and be in good standing in the State of Arizona, with the Arizona Corporation Commission, at the time its proposal is submitted. The City will not enter into contracts with foreign corporations not granted authority to transact business, or not in good standing in the State of Arizona, with the Arizona Corporation Commission.
2. If required by law for the operation of the business or work related to this RFP, proposer and/or any member or affiliate of a proposing team must possess all valid certifications and/or licenses as required by federal, state or local laws at the time of submittal.
3. Any proposer or any member or affiliate of a proposing team that currently contracts with the City must be in good standing for its proposal to be considered responsive. For this RFP, good standing refers to compliance with all existing contracts, including payment of financial obligations.
4. Proposer may choose to propose on any or all three packages of Lots, as desired. If proposer wishes to propose on more than one package of vacant Lots, the proposer is required to **submit separate proposals for each package**. The City intends to award and execute separate contracts for each package.

E. Minimum Qualifications

1. The minimum purchase price for the Lots can be found in **Attachment D**. The minimum purchase price is based on the appraised value of the Lots.
2. The appraisals are available on the NSD Solicitation page at <https://www.phoenix.gov/administration/departments/nsd/solicitations.html>. Any proposal submitted with a proposed purchase price less than the minimum must clearly state what public benefit(s) will be generated to compensate for the less-than-appraised bid(s) and the estimated quantifiable value of those benefits as described in **Section II (D)**.
3. A member of each proposing team must have experience successfully completing and managing at least one residential and/or multi-family and/or mixed-use development project in the last five years.
4. At minimum, 50% of the residential and/or multi-family units for the Package 2

CITY OF PHOENIX
Neighborhood Services Department
17 CITY-OWNED LOTS RFP (NSD-RFP-26-003)

and 3 Lots will be affordable to households with income levels not to exceed 80% area median income (AMI), as defined annually by HUD. Visit the following link for more info: <https://www.huduser.gov/portal/datasets/il.html>. Affordability requirements will be enforced through a Declaration of Affirmative Land Use Restrictive Covenant for a minimum of 20 years, beginning upon occupancy.

Each proposer must demonstrate these minimum qualifications in its proposal as further described in **Section III (A)** or its proposal may be deemed non-responsive and may be disqualified.

F. Pre-Proposal Meeting

II. BUSINESS OPPORTUNITY

A. Description of Lots

The Lots provide an opportunity for proposers to design and construct mixed-use, and/or mixed-income and affordable housing infill development in the Target Area B Redevelopment Area in South Mountain Village. The Lots are offered in 'As-Is' condition. The features of the Lots are as follows:

1. Zoning

The **Package 1** Lots are zoned [R-5 Multifamily Residence District](#) and [C-2 District - Intermediate Commercial](#), and [C-3 District – General Commercial](#) (Chapter 6 Zoning Districts, Section 618, Section 623, and 624 of the Phoenix Zoning Ordinance, posted at <https://phoenix.municipal.codes/ZO>).

The purpose of the multifamily residence districts is to provide for alternate living styles including rental, condominiums, and single ownership of land with multiple units thereon or single or attached townhomes. The two commercial districts are for commercial uses of medium-to-high intensity designed to provide for a wide range of types of commercial activity within the district.

A rezoning application (Z-183-25) was initiated on the Package 1 Lots for zoning district C-1 HGT/WVR DNS/WVR RSIO. The purpose of the [C-1 District – Neighborhood Retail](#) is a district of light neighborhood type retail and customer service uses designed to be compatible with each other and nearby residential districts.

HGT/WVR: Height Waiver is the approval to construct a building that exceeds the maximum height restriction for a standard C-1 zone.

DNS/WVR: Density Waiver is the approval to include more dwelling units per acre (if residential uses are part of a mixed-use project within the commercial zone) than typically permitted by the standard C-1 (or other base) zoning regulations.

As permitted by Section 622.E.1.b of the Zoning Ordinance.

The **Package 2** Lots are zoned [R1-6 Single-Family Residence District](#) (Chapter 6 Zoning Districts, Section 613 of the Phoenix Zoning Ordinance, posted at <https://phoenix.municipal.codes/ZO>).

A basic purpose of Single-Family Residence Districts is to foster the creation of living areas which can assist the establishment of stable, functional neighborhoods. An established pattern of living in this metropolitan area reflects a tradition of single-family occupied dwellings which also emphasize outdoor living. Many of these dwellings are thereby located on relatively large urban or suburban lots.

CITY OF PHOENIX
Neighborhood Services Department
17 CITY-OWNED LOTS RFP (NSD-RFP-26-003)

These regulations provide standards for dwellings built at low and moderate densities. While the predominant housing type is expected to be single-family dwelling, provisions are made for alternative housing types within the same density limits.

The **Package 3** Lots are zoned [R-5 Multifamily Residence District](https://phoenix.municipal.codes/ZO) (Chapter 6 Zoning Districts, Section 618 of the Phoenix Zoning Ordinance, posted at <https://phoenix.municipal.codes/ZO>).

The purpose of the multifamily residence districts is to provide for alternate living styles including rental, condominiums, and single ownership of land with multiple units thereon or single or attached townhomes.

Any questions regarding the **Package 1** rezoning application can be directed to the City of Phoenix Community and Economic Development Department Program Manager, Jeff Stapleton at jeff.stapleton@phoenix.gov.

Any questions regarding prior rezoning applications and associated zoning stipulations can be directed to the South Mountain Village Planner, Samuel Rogers at samuel.rogers@phoenix.gov.

2. Overlay Districts

Special Planning Districts and Specific Plans provide additional regulation and guidance regarding specific areas and neighborhoods within Phoenix. The following are the Special Planning Districts that have been adopted in the City of Phoenix that the Lots are subject to.

Package 1 Lots

Section 655. Rio Salado Interim Overlay (RSIO) District.

<https://phoenix.municipal.codes/ZO/655>

Purpose. The Rio Salado Interim Overlay District is a unique district and does not set a precedent for future expansion of the interim overlay district. It addresses immediate concerns identified in this reach of the river. It is designed to protect the investment in and maximize the benefits of the Rio Salado Habitat Restoration Project. The overlay district is designed to control open, outdoor land uses and other uses in order to have a positive impact on the Rio Salado Habitat Restoration Project and add to the long-term value of adjacent land.

Package 2 and 3 Lots

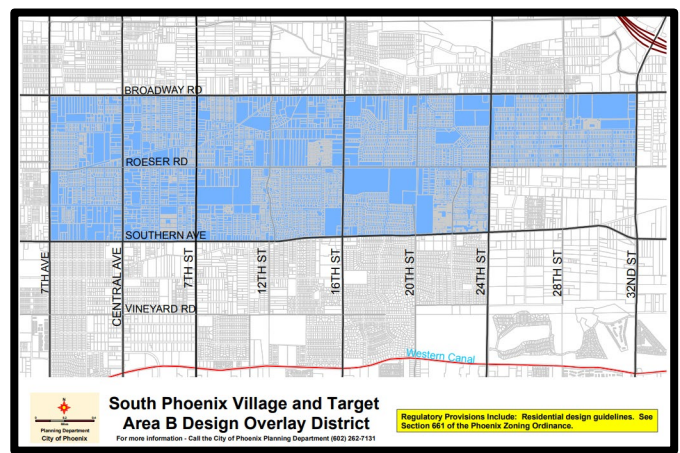

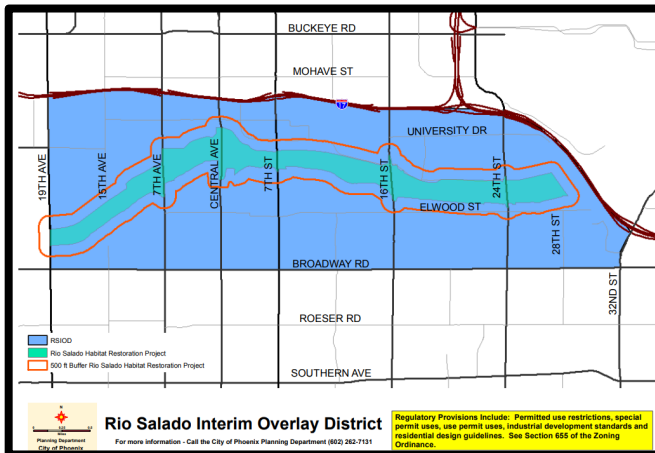

Section 661. South Phoenix Village and Target Area B Design Overlay.

<https://phoenix.municipal.codes/ZO/661>

Purpose. The South Phoenix Village and Target Area B Design Overlay

CITY OF PHOENIX
Neighborhood Services Department
17 CITY-OWNED LOTS RFP (NSD-RFP-26-003)

(SPVTABDO) district addresses concerns regarding one and two dwelling units per lot residential development. It is designed to enhance residential neighborhoods and to protect the investments undertaken to revitalize the area.

3. Utilities

The Lots are served by City water and sewer, Southwest Gas (natural gas), and Salt River Project (electric power). Information regarding utility infrastructure for City services is provided below and development requirements can be found in Section IV (B) of the [City's Design Standards Manual for Water and Wastewater Systems](#).

Information on the existing domestic water and sewer systems as well as general stipulations for the three packages of Lots can be found in **Attachment E** Water/Sewer Infrastructure Information.

B. Surrounding Area

This Request for Proposals (RFP) continues long-term efforts by the community and the City of Phoenix to revitalize the neighborhoods located in the Target Area B Redevelopment Area in South Mountain Village.

From the ridgeline of South Mountain to farm fields and urban neighborhoods, the village offers many different living environments. The rural and open character of the village, enhanced by agricultural areas, citrus groves, open canal system and foothills motivates development that enhances this rural atmosphere.

Although it contains established neighborhoods, South Mountain Village is in many ways a young, developing area. The core of the village is in the vicinity of Central Avenue between Roeser and Broadway Roads. As the core develops, it will provide a blend of employment, commercial, and cultural uses and a concentration of residential activities.

Significant employment centers are located in the northeast portion of the village. This area is accessible from the Maricopa and Hohokam Freeways and is close to downtown and Sky Harbor International Airport. This intense development in the

CITY OF PHOENIX
Neighborhood Services Department
17 CITY-OWNED LOTS RFP (NSD-RFP-26-003)

northeast portion of the village will be balanced by quality residential developments near the foothills of South Mountain.

IV. PROPOSAL EVALUATION

First, NSD will perform an administrative review of proposals for responsiveness. This review will focus on accurate and complete submission of all required documents and required proposal guarantee amounts based on the RFP requirements. NSD reserves the sole right to determine the responsiveness of proposals.

A. Evaluation Panel

Following NSD administrative review, the NSD Director will appoint an evaluation panel to review the proposals and recommend a proposer to be awarded the

CITY OF PHOENIX
Neighborhood Services Department
17 CITY-OWNED LOTS RFP (NSD-RFP-26-003)

contract resulting from this RFP. The NSD Director may accept this recommendation and forward it to the Phoenix City Council or reject it.

The evaluation panel may interview all the proposers or a short list of proposers, or the evaluation panel may evaluate the proposals solely on the materials submitted by the proposal deadline. If a short list process is used, the evaluation panel will use the evaluation criteria established in this RFP to identify the proposers most likely to be successful in the evaluation process. The short list of proposers may then be scheduled for virtual interviews with the evaluation panel. If interviews are conducted, the evaluation panel may consider information from the interviews that clarifies the materials submitted.

The evaluation panel will determine a consensus score for each evaluation criterion, which will then be added together to determine a total consensus score for each proposal.

During the evaluation process, NSD and/or the evaluation panel may request additional information and/or other supporting documentation that may include financial statements from the proposers to assist in the award recommendation.

B. Evaluation Criteria

The evaluation panel will review the information submitted in the proposals to address the requirements listed in the corresponding tabs of **Section III (A)**. All responsive and responsible proposals will be evaluated based on the following criteria. This is a best-value-to-the-City procurement, which means the evaluation panel will look at all factors, not just financial return to the City, in selecting the recommended proposer.

- 1. Concept to Activate the Site (0-400 points)**
- 2. Return to the City (0-150 points)**
- 3. Qualifications, Experience, and Financial Capacity of Proposer (0-450 points)**

V. GENERAL TERMS AND CONDITIONS OF PROPOSAL

A. Solicitation Transparency Policy

Commencing on the date and time this RFP is published, potential or actual proposers including their representatives, employees, agents, proposed partners, subcontractors, joint venturers, members, or any of their lobbyists and attorneys (collectively for this **Section V (A)** only, the “proposer”), may discuss matters associated with this solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director (including in each case their assigned staff, except for the designated Procurement Officer) only at an open public meeting until the resulting contract is awarded or all proposals are rejected and the solicitation is cancelled without any announcement by the

CITY OF PHOENIX
Neighborhood Services Department
17 CITY-OWNED LOTS RFP (NSD-RFP-26-003)

Procurement Officer of the City's intent to reissue the same or similar solicitation. As long as this RFP or related matters are not discussed, proposers may continue to conduct existing business unrelated to this solicitation with the City.

A proposer may discuss its proposal or this RFP with the Mayor and/or one or more members of the Phoenix City Council, provided such meetings are: 1) scheduled through the Procurement Officer identified on page one; 2) conducted in Webex virtual meeting room; link to the meeting room will be provided by the Procurement Officer, and 3) posted as open meetings with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice will identify the participants and the subject matter, as well as invite the public to participate.

With respect to the selection of the successful proposer, the City Manager and/or City Manager's Office will continue the past practice of exerting no undue influence on the process. In all solicitations of bids and proposals, any direction on the selection from the City Manager and/or City Manager's Office and Department Head (or representative) to the evaluation panel or selecting authority must be provided in writing to all prospective proposers.

This policy is intended to create a level playing field for all proposers, assure contracts are awarded in public, and protect the integrity of the selection process. "To discuss" means any contact by a proposer, regardless of whether the City responds to the contact. The City interprets the policy as continuing through a cancellation of a solicitation until City Council award of the contract, as long as the City cancels with a statement that the City will reissue the solicitation. **PROPOSERS THAT VIOLATE THIS POLICY WILL BE DISQUALIFIED.**

B. Materials Submitted: Public Record

All materials submitted by proposers become property of the City and a matter of public record available for review pursuant to Arizona law. If a proposer believes that a specific section of its proposal response is confidential, the Proposer will isolate the pages marked confidential in a specific and clearly labeled section of its proposal response. A proposer may request specific information contained within its proposal is treated by the Procurement Officer as confidential provided the proposer clearly labels the information "confidential." To the extent necessary for the evaluation process, information marked as "confidential" will not be treated as confidential. Once the procurement file becomes available for public inspection, the Procurement Officer will not make any information identified by the proposers as "confidential" available to the public unless necessary to support the evaluation process or if specifically requested in accordance with applicable public records law. When a public records request for such information is received, the Procurement Officer will notify the proposer in writing of any request to view any portion of its proposal marked "confidential." The proposer will have the time set forth in the notice to obtain a court order enjoining such disclosure. If the proposer

does not provide the Procurement Officer with a court order enjoining release of the information during the designated time, the Procurement Officer will make the information requested available for public inspection.

C. Award Recommendation

When the award recommendation is posted on the <https://www.phoenix.gov/administration/departments/nsd/solicitations.html>, the procurement file for this RFP will be available for proposers and the public to review. The procurement file consists of all non-confidential proposal materials, this RFP and all addenda, advertising documents, agendas, meeting minutes, presentations (if any), signed conflict of interest statements by evaluation panel members, and evaluation panel consensus scoring.

D. Negotiations

Once the award recommendation has been posted, the City may negotiate business terms with a proposer. The Procurement Officer will provide the recommended proposer with written authorization to negotiate with specific City staff. Communication between the recommended proposer and any City staff or City officials not authorized by the Procurement Officer will be a violation of the Solicitation Transparency Policy listed in **Section V (A)**.

The posting of an award recommendation or commencement of negotiations does not commit the City to accept all or any of the terms of the proposal, and negotiations may be terminated by the City at any time. These negotiations may result in minor or material changes to the proposal, including both the business terms and design and construction of the proposed development. Successful negotiations will result in an award recommendation to the City Council and a "Letter of Intent" stating the City's intent to enter a contract with the recommended proposer on specified business terms. All terms will be subject to City Council approval. Following required approvals, City-drafted contracts addressing all terms and conditions will be entered between the parties.

City staff alone are responsible for negotiating business terms with recommended proposers. **THE TERMS AND CONDITIONS OF ANY CONTRACT RESULTING FROM THIS RFP PROCESS ARE SUBJECT TO APPROVAL BY THE PHOENIX CITY COUNCIL.**

E. Community Involvement

The recommended proposer must seek community input as needed and make reasonable efforts to address, incorporate or respond to community input regarding the proposal.

G. Best and Final Offers (BAFO)

A BAFO is an option available for negotiations. Each Proposer in the competitive range, which is determined in the City's sole discretion, may be afforded the opportunity to amend its Proposal and make one BAFO.

If a Proposer's BAFO modifies its initial Proposal, the modifications must be identified in the BAFO. The City will evaluate BAFOs based on the same requirements and criteria applicable to initial Proposals. The City will adjust appropriately the initial scores for criteria that have been affected by Proposal modifications made by a BAFO. Based on the criteria defined in the solicitation as weighted, the City will then perform final scoring and prepare final rankings.

The Evaluation Panel will recommend the Proposal that is the best value and most advantageous to the City based on the evaluation criteria.

The City reserves the right to make an award to a Proposer whose Proposal is the highest rated, best value, and most advantageous to the City based on the evaluation criteria, without conducting written or oral discussions with any Proposer, without negotiations, and without soliciting BAFOs.

H. City's Right to Disqualify for Conflict of Interest or Not in Good Standing

- The information contained above is based on existing conditions and circumstances. Please be advised that available capacity is a dynamic condition that can change over time due to a variety of factors. For that reason, the City of Phoenix is only able to provide assurance of water and sewer capacity at the time of preliminary site plan approval or building permit. If you are in the City's service area, it is our intent to provide water and sewer service. However, the requirements for such water and sewer service are not determined until the time of application for site plan or building permit approval. These requirements will be based on the status of our water and sewer infrastructure at the time the application is submitted. For any given property, these requirements may vary over time to be less or more restrictive depending on the status of our infrastructure.
