## Neighborhood College Workshop

### Request Form

Neighborhood College is a one-of-a-kind collaboration of workshops and hands-on learning experiences brought to you by multiple Phoenix city departments. The intent of the program is to provide each participant with knowledge about the city's programs, services and resources; the tools to access those resources; and the skills and ideas with which to build positive, sustainable communities.

Everyone is welcome! Regardless of whether you're a seasoned community leader or a new resident just looking to get to know your new home better, Neighborhood College is flexible enough to meet the needs of all City of Phoenix residents! We hope to see you at one of our many free workshops - and encourage your neighbors to do the same.
