(table, shipping, install)

## PROJECT ELIGIBILITY

- Projects must be at a City of Phoenix Park. Projects must be capital improvements which demonstrate public investments in infrastructure, and/ or a renovation of assets and must not contribute to additional ongoing maintenance and operational costs to the Department.
- Eligible applicants must be neighborhood organizations listed with the Neighborhood Services Department. If neighborhood groups are not registered, you may register with Neighborhood Services Department at [www.phoenix.gov/nsd/programs/neighborhood-coordination](http://www.phoenix.gov/nsd/programs/neighborhood-coordination). If you need assistance with registration Parks and Recreation staff is available to assist.
- Projects cannot be combined with any other Parks and Recreation Department source of funding.
- All projects will be completed by City approved contractors and must meet City standards. The Parks and Recreation Department will establish a timeline for the completion of each project.
- Projects must meet existing infrastructure requirements to be considered and funded. Examples include water lines and electricity.
- All projects must be eligible for completion within the General Obligation Bond Program between 2024 and 2029.

## PROJECT PROCESS

- Applicants must submit an application online through a portal available on the City of Phoenix Parks and Recreation Department website beginning September 27, 2024. Applications will close on December 2, 2024.
- Applicants may only include one project per application.
- Selected projects will be announced in early 2025.
- Approved projects will be completed within the General Obligation Bond Program timeframe between 2024 and 2029 as determined by the Parks and Recreation Department.

• December 13, 2022 Phoenix City Council approved a \$500 Million General Obligation Bond Program.

• November 7, 2023, Phoenix voters approved \$500 Million General Obligation Bond Program.

• \$1.5 Million was allocated for neighborhood parks minor capital improvement projects. The funding will be distributed evenly among each City Council District.
