

HATCHER ROAD OVERLAY DISTRICT PLANT LIST

Street Trees

The recommended street tree for Hatcher Road is the Palo Verde Type (*Parkinsonia* species). The Palo Verde is Arizona's official state tree. The specified species for Hatcher Road are the "Blue Palo Verde", "Palo Brea", and the Desert Museum Palo Verde. This tree is a quick growing tree, reaching a mature height of 30 to 40 feet.

Theme Tree

Theme Tree will be a Palo Verde Type (*Parkinsonia* species) and would include:

- Blue Palo Verde (*cercidium floridum*)
- Palo Brea (*cercidium floridum*)
- Desert Museum Palo Verde (*parkinsonia cercidium hybrid*)

Alternative Trees

The following trees would be allowed as an alternative but the majority of trees approved are to be the *Parkinsonia* Species.

- Sweet Acacia (*Acacia farnesiana*)
- Mexican Ebony (*Pithecellobium mexicanum*)
- Desert Willow (*Chilopsis linearis*)

In addition, in parking lot areas the Mesquite may be utilized.

Landscaping Plants

Shrubs and other landscaping plants may include any of the following Phoenix native drought tolerant species:

- Beargrass (*Xerophyllum tenax*)
- Blackfoot daisy (*Melampodium leucanthum*)
- Desert marigold (*Baileya multiradiata*)
- Fairy Duster (*Calliandra eriophylla*)
- Hopbush (*Dodonaea viscosa*)
- Little-leaf-cordia (*Cordia parvifolia*)
- Ocotillo (*Fouquieria splendens*)
