RE: Major Amendment to the Life Storage PUD (Z-58-A-16) Final Narrative

Mr. Morris,

Thank you for the revised development narrative for the Life Storage PUD (Z-58-A-16) rezoning application. The development narrative date stamped June 29, 2017 is consistent with the development narrative adopted by City Council on February 15, 2017 and incorporates the required change from the stipulation of the City Council approved action on June 28, 2017.

This final narrative provides the zoning requirements for development of the subject site and is part of the case file available as public record. This narrative will be used as the basis for future amendments should they be requested by the current or future owners.

If you have any further questions, please contact Maja Brkovic, the Paradise Valley Village Planner, at maja.brkovic@phoenix.gov or (602) 261-8701.

Sincerely,

A handwritten signature in blue ink that reads "Joshua Bednarek".

Joshua Bednarek,
Planning and Development Deputy Director
