Jason Blakley
Assistant Director
Planning & Development
Department

PDD Self-Certification History

- Program began in June 2010
- Original Program was limited to building plans of specific occupancies and size
- **2011** Expanded to include most buildings of unlimited square footage, small civil and landscape plans, and parking lots
- **2012** Expanded eligibility to include all buildings **except** high rises, large assembly occupancies (stadiums/arenas) and hazardous occupancies. Expanded civil and landscape to 20 acres

Owner/Contractor Notice – Cover Sheet

- “This project has been permitted under the City of Phoenix Self-Certification program. The project is subject to audit and field inspection by the Planning & Development Department. If the construction of the project is contrary to, or does not meet the standard of the City of Phoenix Building Construction Codes, the owner, at his/her own expense, shall remove or modify any and all components that do not conform. Any deviations from the approved plan must be coordinated in advance with the city inspector and revised plans or sketches must be provided by the self-certified professional.”
