# LAW ENFORCEMENT GUARDIAN GAMES

## Special Olympics Arizona

LAW ENFORCEMENT  
**TORCH RUN**<sup>®</sup>  
FOR SPECIAL OLYMPICS

This 7th annual event took place on March 27, 2026 at Westgate entertainment district. Arizona Law Enforcements come together to support these athletes.

Upcoming Torch Run April 2, 2026 @4pm—Downtown Phoenix.

# ***OAKLAND NEIGHBORHOOD MOVIE NIGHT***

## **Oakland Movie Night:**

Under new leadership - Sergio Moreno, The Oakland Neighborhood Association hosted a family movie night at University Park. Families came out and enjoyed fresh made popcorn and snow cones while watching an animated kids movie. Neighborhood Services, Parks and Recreation, Park Rangers and Central City Precinct CAO's were all in attendance.

# HARMON PARK EASTER HOP

Easter Hop: The Parks and Recreation hosted this event with more than a 100 kids participating in a race to gather easter eggs. This event provided Music, Hamburgers, and a Mobile Gaming Van. The kids were able to tour a Police Tahoe where they learned how to activate the emergency lights and sirens.

# TRAVELING SKY HARBOR

## New at Phoenix Sky Harbor: Faster Parking, Traveler-Friendly Amenities and Seamless Security Screening Options

At Phoenix Sky Harbor International Airport, we are always looking for opportunities to enhance the passenger experience. From improving convenience to introducing innovative technology, our team continuously works to make travel smoother, faster and more enjoyable. Catch up on some of the latest services and amenities now available.

### Terminal 3 Parking Guidance Pilot Program

A new parking guidance pilot program was recently launched in the Terminal 3 garage to help drivers find open spaces faster. The camera-based system uses sensors to track parking availability in real time. Red and green lights show what spots are occupied and open, helping reduce the time drivers spend searching for parking. The “Portier VISION” system was developed with airport contractor ACE Parking. Terminal 3 has more than 2,000 spaces, and the airport plans to expand the system to the larger Terminal 4 garage.

### Early Bag Check

This free and convenient service allows passengers to check their luggage before arriving at the terminal, helping them travel lighter and more easily on the PHX Sky Train® and save time by skipping airline ticket counters. [Early Bag Check](#) is available daily from 5 a.m. to 5 p.m., including holidays, at the Rental Car Center and East Economy Parking.

Passengers flying domestically on the following participating airlines can use the service:

- Alaska Airlines
- American Airlines
- Delta Air Lines
- Frontier Airlines
- Southwest Airlines
- United Airlines

Early Bag Check counters are located at the Rental Car Center and East Economy Parking.

While there is no additional fee for the service, airline baggage fees still apply.

For more information, visit [skyharbor.com/EarlyBagCheck](https://skyharbor.com/EarlyBagCheck).

### PHX Free Little Library

America’s Friendliest Airport® recently introduced the [PHX Free Little Library](#). Located at the Culture Corner in Terminal 3, this free and convenient amenity offers books for readers of all ages and allows visitors to take a book or donate one for others to enjoy. Books are provided by [Phoenix Public Library](#) and [Friends of the Phoenix Public Library](#), and those donations from travelers will help keep the shelves full.

### Save Time at Security With TSA’s New Expedited Screening Options [TSA PreCheck® Touchless ID](#)

TSA PreCheck® Touchless ID is now available in Terminals 3 and 4. The system uses facial-recognition technology to verify travelers’ identities so they can move through security without showing a physical ID.

After opting in through their airline profile, travelers can use a dedicated lane where a camera confirms their identity. This process offers a quicker, more convenient way to get through security.

Travelers should still carry a physical ID as a backup.

For more information, visit [tsa.gov/touchless-id](https://tsa.gov/touchless-id).

### eGATES

New electronic gates (eGates) are now available in Terminals 3 and 4. Available as an opt-in feature for CLEAR Plus members, eGates use biometric verification to confirm a traveler’s identity in under five seconds. Travelers then proceed directly to bag screening, bypassing the traditional TSA podium check for a faster and seamless screening process.

For more information on CLEAR, visit [clearme.com](https://clearme.com).

These kinds of new amenities are part of what makes Phoenix Sky Harbor America’s Friendliest Airport®. For more information on all things PHX, visit [skyharbor.com](https://skyharbor.com).
