## **Head-on Collision Leaves A Woman Dead**

(June 2, 2025): Detectives are processing evidence to determine what led up to the collision.

On June 1, 2025, around 7:50 p.m., officers responded to a vehicle collision near 43<sup>rd</sup> Avenue and Sweetwater Avenue. When officers arrived, they found a two door and a four door vehicle involved in the collision. The fire department responded and transported both drivers and two children to the hospital. One of the drivers, 34-year-old Hayley Kramer, died from her injuries at the hospital. The other driver and both children are expected to survive.

Detectives responded to investigate the incident and process the scene. Preliminary information suggests the two-door vehicle was heading northbound on 43<sup>rd</sup> Avenue when it veered into the southbound lanes and collided head-on into Kramer's 4-door vehicle, which was heading southbound on 43<sup>rd</sup> Avenue. Impairment does not appear to be a factor in this collision. Additional information is part of an ongoing investigation.
