Pedestrian Dies After Crossing Mid-block

(June 21, 2025): Detectives are investigating a fatal traffic collision after a man was hit while crossing mid-block.

On June 20, 2025, around 9:35 p.m., officers responded to a vehicle collision at 27th Avenue and Camelback Road. When officers arrived, they found a man on the roadway and a pickup stopped nearby. The fire department responded and treated the man before rushing him to the hospital. While at the hospital, the man died from his injuries. Officers spoke and evaluated the driver of the truck and determined there were signs of impairment.

Detectives responded to investigate the incident and process the scene. Preliminary information suggests the pickup was heading southbound on 27th Avenue when it collided with the pedestrian, who was crossing 27th Avenue, outside of any crosswalk. The driver was processed for DUI and later released. The investigation remains active as detectives continue to process evidence. Any additional information remains part of an ongoing investigation.
