Woman Dies After Collision with Stolen Vehicle

(May 5, 2025) Phoenix Police detectives investigated a late evening collision that left a woman dead and two adult females in the hospital.

On April 30, 2025, around 8:52 p.m., officers responded to 16th Street and Jefferson Street regarding a collision involving two vehicles. When officers arrived, they located one vehicle with three adult female victims inside. One adult female, later identified as Maria Ramos Camacho, was transported to a nearby hospital; however, she was not able to overcome her injuries and died at the hospital. The driver of the second vehicle involved left the scene before police arrival; however, he was later apprehended and identified as Isaiah Sparks.

Detectives from the Vehicular Crimes Unit responded to take over the investigation. Preliminary information suggests Sparks was westbound on Jefferson Street, driving the wrong way on a one-way street, when he failed to control the vehicle and collided with the victim's vehicle. The vehicle Sparks was driving had been reported stolen earlier in the day. Additional details about the collision remain part of the ongoing investigation.
