Man Dies After Collision with Semi-Truck

(April 5, 2025) Phoenix Police detectives are investigating an early morning collision that left a man dead.

On April 5, 2025, around 3:10 a.m., officers responded to the area of 43rd Avenue and Roosevelt Street regarding a collision involving a semi-truck. When officers arrived, they located the adult male driver of the vehicle involved, identified as 24-year-old Aaron Williams. Williams was transported to a nearby hospital; however, he did not survive his injuries and was pronounced deceased. The semi-truck and its driver remained on scene.

Detectives responded to take over the investigation. Preliminary information suggests Williams was westbound on Roosevelt Street when he attempted to pass another westbound vehicle by entering the eastbound lanes. While doing so, Williams' vehicle struck the involved semi-truck, which was traveling eastbound on Roosevelt Street, head on. Impairment is not believed to be a factor in this collision. Additional details about the collision remain part of the ongoing investigation.
