Man Arrested for Fatally Stabbing One and Injuring Two

(January 26, 2025) Patrol officers responding to a stabbing incident located and arrested the murder suspect seen fleeing a violent stabbing incident late Saturday night.

Just before 10:00 p.m. last night, officers were called to a stabbing investigation at a house in the neighborhood of 7500 West Warner Street. When officers got to the house, they found three victims all suffering from apparent stab wounds. During the initial investigation, patrol officers searching the neighborhood detained a man later identified as Hunter Strawbridge, believed to have been involved. Two of the victims, an adult male and adult female, were taken to the hospital with serious but non-life-threatening injuries. The third victim, 29-year-old Jake Carbonell, was taken to the hospital in critical condition. Carbonell later succumbed to his injuries and died at the hospital. Witness' at the scene confirmed Strawbridge was the suspect that had stabbed all three victims before running from the scene. Strawbridge was later booked into jail under booking number G155480.

Detectives responded to the scene and took over the investigation. It was learned that a fight between Carbonell and Strawbridge happened while at a family gathering and led to Strawbridge stabbing Carbonell. The other two victims were stabbed during this altercation and later treated and released from the hospital. Further details about this incident remain part of an ongoing investigation.
