

**FEDERAL TERMS AND CONDITIONS:
FEDERAL TRANSIT ADMINISTRATION (FTA) REQUIREMENTS**

(Revised 3/2025)

Contractor shall comply with the following FTA requirements. For purposes of these clauses, SUBRECIPIENT is the FTA subrecipient (procuring entity) that is entering into the Contract with Contractor.

1. NO FEDERAL GOVERNMENT OBLIGATION TO THIRD PARTIES.

SUBRECIPIENT and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation of this Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to SUBRECIPIENT, Contractor or any other party (whether or not a party to that Contract) pertaining to any matter resulting from the Contract. Contractor shall include the above clause in each subcontract financed in whole or in part with Federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

2. NOTIFICATION TO FTA. *[These requirements apply to all contracts and subcontracts in excess of \$25,000.]*

If a current or prospective legal matter that may affect the Federal Government emerges, Contractor must promptly notify SUBRECIPIENT, which must then promptly notify the City of Phoenix (ptdcompliance@phoenix.gov), who will notify the FTA Chief Counsel and FTA Regional Counsel for Region 9. Contractor must include an equivalent provision in its subagreements at every tier for any agreement that is a “covered transaction” according to 2 C.F.R. §§ 180.220 and 1200.220.

A. Types of Legal Matters Requiring Notification. The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or instances where the Federal Government was named as a party to litigation or a legal disagreement in any forum for any reason.

B. Matters Affecting the Federal Government. Matters that may affect the Federal Government include, but are not limited to, the Federal Government’s interests in the Award, the Contract, and any Amendments thereto, or the Federal Government’s administration or enforcement of federal laws, regulations, and requirements.

C. Additional Notice to U.S. DOT Inspector General. If Contractor has knowledge of potential fraud, waste, or abuse occurring on a Project receiving assistance from FTA, then Contractor must promptly notify SUBRECIPIENT, which must then promptly notify the City of Phoenix (ptdcompliance@phoenix.gov), who will notify the U.S. DOT Inspector General, in addition to the FTA Chief Counsel or Regional Counsel for Region 9. The notification provision applies if a principal, officer, employee, agent, third-party participant (including subcontractors at any tier), or any other person has or may have submitted a false claim under the False Claims Act, 31 U.S.C. § 3729, et seq., or has or may have committed a criminal or civil violation of law pertaining to such matters as fraud, conflict of interest, bid rigging, misappropriation or embezzlement, bribery, gratuity, or similar misconduct involving federal assistance. This responsibility occurs whether the Project is subject to this Contract or another

agreement between SUBRECIPIENT and FTA, or an agreement involving a principal, officer, employee, agent, or Third-Party Participant of SUBRECIPIENT. It also applies to subcontractors at any tier. Knowledge, as used in this paragraph, includes, but is not limited to, knowledge of a criminal or civil investigation by a Federal, state, or local law enforcement or other investigative agency, a criminal indictment or civil complaint, or probable cause that could support a criminal indictment, or any other credible information in the possession of Contractor. In this paragraph, "promptly" means to refer information without delay and without change. This notification provision also applies to all divisions of SUBRECIPIENT, including divisions tasked with law enforcement or investigatory functions.

3. PROGRAM FRAUD & FALSE/FRAUDULENT STATEMENTS OR RELATED ACTS.

- A.** Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 *et seq.* and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR part 31, apply to its actions pertaining to this Project. Upon execution of the Contract, Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the Contract or the FTA-assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Contractor to the extent the Federal Government deems appropriate.
- B.** Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. chapter 53, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5323(l) on Contractor, to the extent the Federal Government deems appropriate.
- C.** Contractor shall include the above two paragraphs in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

4. ACCESS TO RECORDS, REPORTS, & SITES.

- A. Record Retention.** Contractor shall both maintain and retain, and will require its subcontractors of all tiers to maintain and retain, complete and readily accessible records related in whole or in part to the contract, including, but not limited to, data, documents, reports, statistics, sub-agreements, leases, subcontracts, arrangements, other third-party agreements of any type, and supporting materials related to those records.
- B. Retention Period.** Contractor shall comply with the record retention requirements in accordance with 2 CFR § 200.333. Contractor shall maintain all books, records, accounts and reports required under this Contract for a period of not less than three years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case records shall be maintained until the disposition of all such litigation, appeals, claims or exceptions related thereto.

- C. **Access to Records.** Contractor shall provide sufficient access to the U.S. Secretary of Transportation, Comptroller General of the United States, FTA, City of Phoenix (ptdcompliance@phoenix.gov), SUBRECIPIENT, and their duly authorized representatives to inspect and audit records and information, including such records and information SUBRECIPIENT or Contractor may regard as confidential or proprietary, related to performance of this contract as reasonably may be required.
- D. **Access to the Sites of Performance.** Contractor shall permit the FTA, City of Phoenix (ptdcompliance@phoenix.gov), SUBRECIPIENT, and their duly authorized representatives access to the sites of performance under this Contract as reasonably may be required. Contractor shall permit the U.S. Secretary of Transportation, Comptroller General of the United States, FTA, City of Phoenix (ptdcompliance@phoenix.gov), SUBRECIPIENT, and their duly authorized representatives to inspect all work and material related to the award and to audit information related to the award if such information is under the control of the Contractor, including in the Contractor's books, records, accounts, or other locations.

5. **FEDERAL CHANGES.**

Contractor shall at all times comply with all applicable federal laws, regulations, requirements, policies, procedures, guidance, and directives, including without limitation those listed directly or by reference in the FTA Master Agreement between the City of Phoenix and the FTA, as they may be amended or promulgated from time to time during the term of the Contract. Contractor's failure to so comply shall constitute a material breach of the Contract.

6. **CIVIL RIGHTS.**

SUBRECIPIENT must comply with applicable federal civil rights laws, regulations, and requirements, and follow applicable federal guidance, except as the Federal Government determines otherwise in writing. Therefore, unless SUBRECIPIENT or the federal program, including any Indian Tribe or Tribal Transit Program, is specifically exempted from a civil rights statute, FTA requires compliance with each civil rights statute, including compliance with equity in service requirements.

- B. Contractor shall verify that its principals, affiliates, and subcontractors are eligible to participate in this federally-funded contract (which includes review of SAM at sam.gov, if necessary to comply with U.S. DOT regulations, 2 CFR Part 1200) and are not presently declared by any Federal department or SUBRECIPIENT to be: **(1)** debarred from participation in any federally-assisted Award; **(2)** suspended from participation in any federally-assisted Award; **(3)** proposed for debarment from participation in any federally-assisted Award; **(4)** declared ineligible to participate in any federally-assisted Award; **(5)** voluntarily excluded from participation in any federally-assisted Award; or **(6)** disqualified from participation in any federally-assisted Award.

Contractor shall comply with the requirements of 2 CFR part 180, subpart C, as supplemented by 2 CFR part 1200, while this offer is valid and throughout the period of any contract that may arise from this offer. Contractor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

- D. Contractor agrees that it will not enter into any “covered transaction” (as defined at 2 CFR 180.220 and 1200.220) with any “third party participant” (as defined in Section 1 of FTA’s Master Agreement (Version 31, dated May 2, 2024), as may be updated or amended) that is, or whose principal is, suspended, debarred, or otherwise excluded from participating in covered transactions except as otherwise authorized by applicable Federal laws, regulations, or requirements regarding participation with debarred or suspended Recipients or Third Party Participants. 11. TERMINATION. *[These requirements apply to all contracts in excess of \$10,000.]*

The Contractor acknowledges that SUBRECIPIENT may terminate the Contract for cause or for convenience under the Contract’s terms and conditions, which provide the manner by which termination will be made effective and the basis for settlement. In connection with any such appeal, Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the authorized representative of SUBRECIPIENT shall be binding upon Contractor, and Contractor shall abide by the decision.

Performance During Disputes.** Notwithstanding the existence of any dispute between the parties, insofar as is possible, under the terms of the Contract, Contractor shall continue to perform the obligations required of Contractor during the continuation of any such dispute unless enjoined or prohibited by an Arizona Court of competent jurisdiction.
- C. Rights and Remedies.** The duties and obligations imposed by the Contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by SUBRECIPIENT or Contractor shall constitute a waiver of any right or duty afforded any of them under this Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed upon in writing.
