PRE-SOLICITATION SUBRECIPIENT COMPETITIVE PROCUREMENT REVIEW FORM
FTA-FUNDED PROCUREMENTS

(For Procurements Valued at \$250k+ or Subrecipient Procurement Code Threshold Amount, Whichever is Less)

FORM INSTRUCTIONS

This form is for purchases valued above the federal simplified acquisition threshold amount of \$250k, OR above the Subrecipient’s Procurement Code threshold amount for formal purchases, whichever is less.

The City of Phoenix (“**City**”), acting by and through its Public Transit Department (“**PTD**”), is the designated recipient of Federal Transit Administration (“**FTA**”) funds. Under FTA Circular 4220.1G ch. III, § 3, the City is obligated to ensure that third-party contracts comply with applicable federal, state, and local requirements. Because of these obligations, PTD reviews FTA-funded third-party contracting to ensure that the procurements comply with federal laws/regulations and are eligible for federal funding. PTD provides Subrecipient submittal forms, FTA Clauses/Certifications, and DBE Clauses/Forms/Exhibits (for inclusion in solicitations) on its Subrecipient Resources Webpage, available at phoenix.gov/publictransit/subrecipient-resources.

The purpose of this form is to standardize the competitive pre-solicitation third-party procurement review process across all subrecipients. Before advertising the solicitation, the Subrecipient conducting the procurement must complete this form, then email all of the required documentation to PTDcompliance@phoenix.gov to obtain approval to proceed.

PTD’s standard review time is ten business days. Failure to complete the form in its entirety and provide all of the information required will result in delays for the City’s approval, with each resubmission requiring up to ten business days to review.
