**RE: Spring Training MORATORIUM ON ROUTINE MAINTENANCE AND
CONSTRUCTION ACTIVITIES (02/23/2024-03/25/2024)**

The Spring Training season is fast approaching and with it comes increased traffic on streets near the training centers. Since it is our goal to reduce unnecessary traffic delays and congestion during this time, construction and maintenance activities must be curtailed on major and collector streets near the facilities during this critical period (**February 06, 2025, through March 24, 2025**). The areas where work may be restricted may include, but are not limited to:

Camelback Ranch Spring Training Moratorium

There will be no lane restrictions approved on game days February 06TH through March 24th, 2025, from 6 a.m. to 1 hour past the end of the game. The end of the game will be considered to begin at the official end of game time or 3 hours past the start of the game, whichever comes first.

Temporary restrictions may be approved for nighttime (nighttime noise ordinance permit may be required) or non-game days. Contact your COP inspector to set up a preconstruction meeting to discuss.

The following streets are part of the moratorium area:

- Camelback Road – El Mirage Road to 91st Avenue
- El Mirage Road – Camelback Road to Bethany Home Road
- 111th Avenue/Ball Park Boulevard – Campbell Avenue to 99th Avenue & Maryland Avenue
- 107th Avenue – Indian School Road to Rancho Drive
- 99 Avenue – Glendale Avenue to Indian School Road
- 91st Avenue – Indian School Road to Camelback Road

Brewers Spring Training Moratorium

There will be no lane restrictions approved on game days February 22nd thru March 24th, 2025, from 6 a.m. to 1 hour past the end of the game. The end of the game will be considered to begin at the official end of game time or 3 hours past the start of the game, whichever comes first.

Temporary restrictions may be approved for nighttime (nighttime noise ordinance permit may be required) or non-game days. Contact your COP inspector to set up a preconstruction meeting to discuss.

The following streets are part of the moratorium area:

- Indian School Road – 59th Avenue to 51st Avenue
- 51st Avenue – I-10 to Camelback Road
- 53rd Avenue – Indian School Road to 55th Avenue and Clarendon Avenue
- Maryvale Parkway – 53rd Avenue to Campbell Avenue
- Thomas Road – 55th Avenue to 48th Lane

Although normal construction and maintenance activities in conflict with the training centers will be restricted during this period, emergency repairs will still be allowed. Your cooperation in improving traffic conditions during this moratorium is very much appreciated. If you have any questions or concerns about whether your project will be allowed during this time period, please call the Right-of-Way Management Office at 602-262-6235.
