A Slurry Seal or Micro-Surfacing Job Mix Formula (JMF) is approved for one (1) calendar year after the design date. All JMFs shall be reviewed by the City of Phoenix Materials Lab prior to placement. A copy of all current and approved JMFs is maintained by the City of Phoenix Materials Lab and available upon request.

The contractor shall have the following documentation available on the placement machine at all times:

1. Current Calibration Records (Maximum 1 year)
2. Emulsion - Certificate of Compliance
3. Current Aggregate Ticket
4. Mineral Filler - Certificate of Compliance
5. Additives - Certificate of Compliance
