

Speed Hump Study Request

We the undersigned, representing ten households on the street below, request a traffic study. Depending on the outcome of the study, we may want to pursue speed humps on our street. However, our signatures on this form do not commit us to support speed humps at any time in the future.

Contact Name:		Daytime Phone: () -	
Address:		ZIP Code:	
Neighborhood Name:		E-mail Address (Optional)	
Where should the study be conducted? Please be as specific as possible. (Example: Adams Street between 2 nd and 3 rd Avenues)			
Note: It may not be possible to conduct the study at exactly the location listed above, but we will conduct it as near as possible.			
Are there any dates in the next month when the study should not be conducted? (Example: because of planned road construction nearby, schools out of session, etc.)

After completing this form, fold it for mailing. Please mail to: City of Phoenix, Speed Hump Program, 200 West Washington Street, 6 th Floor, Phoenix, AZ 85003-1611. Don't forget to use first-class postage. Once we receive the form, we will schedule a traffic study in your neighborhood and inform you of the schedule. The Speed Hump Program is a function of the City of Phoenix Street Transportation Department. Thank you for your interest in traffic safety. If you have questions, please call 602-262-4659.			For office use only (i) Rev.4/08

This publication can be made available in braille, large print, audio tape, or cassette tape upon request. Contact the Street Transportation Department at 602-262-6284 if you would like any of these services. Our TTY phone number is 602-256-4286.
