**NOTE:** This determination is based on the most current edition of the Flood Insurance Rate Map (FIRM) of the Federal Emergency Management Agency. This letter does not imply that the referenced property will or will not be free from flooding or damage. A property in a Special Flood Hazard Area (SFHA) may be damaged by a flood greater than that predicted on the FIRM or from a local drainage problem not shown on the map. A filed LOMC may not remove the entire property, or all buildings on the property, from the SFHA. Future improvements on a property are subject to the most current applicable regulations. FEMA maps are updated regularly, and a parcel's zone designation or flood depth can change at any time. This letter does not create liability on the part of the City of Phoenix, or any officer or employee thereof, for any damage that may result from reliance on this determination.

**\*\*THIS DETERMINATION IS NOT A FLOODPLAIN CLEARANCE TO BUILD AND/OR CONSTRUCT\*\***
