DOWNTOWN TRANSPORTATION PLAN UPDATE

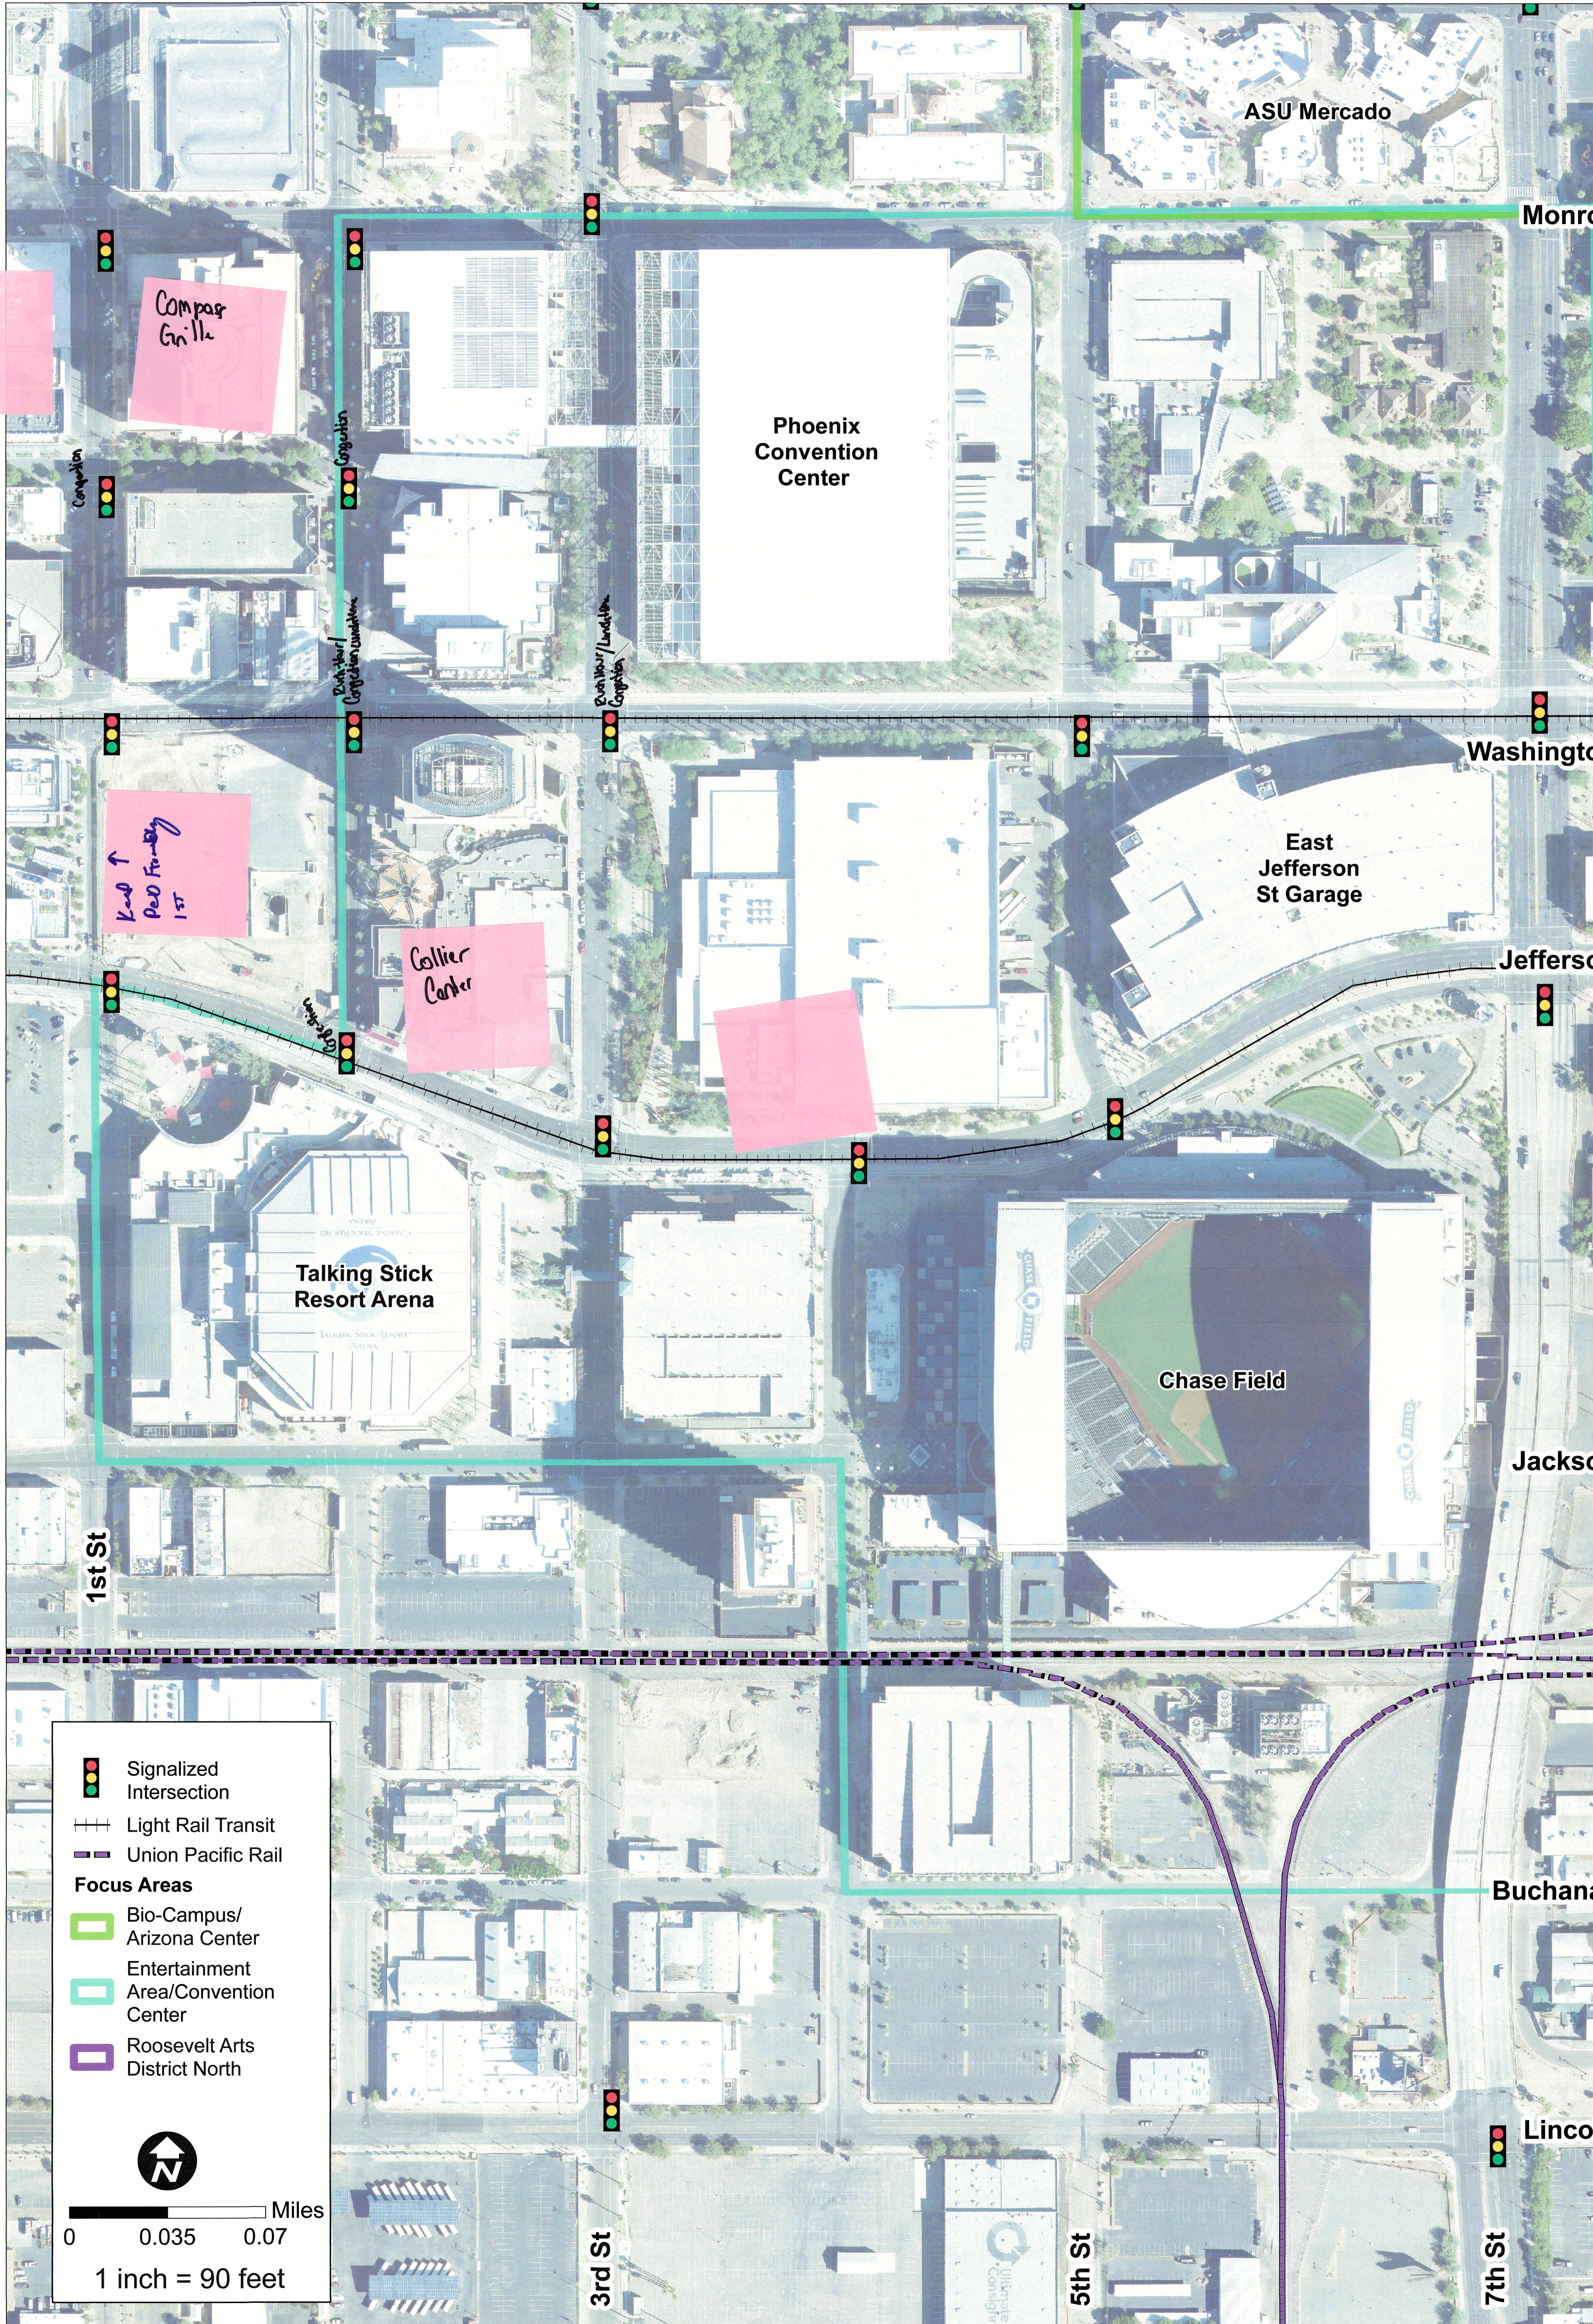

The following needs were identified:

- Optimize the traffic signal network.
- Improve operations at stop-controlled intersections with a poor Level of Service.
- Address intersection capacity needs.
- Mitigate congestion along 7th Street and 7th Avenue (connections to I-10).

We want to hear from you!

What additional needs have you identified in the area?

- PED SIGNALS/CROSSINGS AT WASHINGTON + 1ST ST / CENTRAL TAKE VERY LONG TO START
